

COME JOIN THE MARRIAGE PREP TEAM

Facilitator Training - October 22-23, 2010

The Diocese is sponsoring a training in one of the country's most highly acclaimed new marriage preparation programs for engaged couples, *God's Plan for a Joy-Filled Marriage*.

Based on Pope John Paul II's renowned *Theology of the Body* and developed by Christopher West, the program helps thousands of engaged couples come to a rich understanding of the sacrament of marriage and the Church's teaching on sexuality. The program offers engaged couples a compelling presentation of God's glorious plan for marital love. It explores the "why's" behind the "what's" of Catholic teaching in a non-threatening and convincing manner.

The training will enable facilitators to share the *Theology of the Body* and Catholic teaching on marriage, handle commonly asked questions and learn the skills to successfully facilitate the program. Trained couples will become members of the Marriage Prep Team as facilitators of the God's Plan Program.

**The Diocese of Madison invites you to share your marriage and your faith
with newly engaged couples.**
