Course Request Form

This form is to be used in requesting a course be provided by the Office of Evangelization and Catechesis at a particular time and location. It is most useful for principals of Catholic schools and directors of religious education when seeking to provide opportunities for certification to their teachers, catechists, and other interested adults. Course costs for the parish or school include \$75 per teaching hour for the teacher plus modest travel expenses.

Course organizers should keep in mind the importance and necessity of participants taking the courses in proper order. Please consult the program offerings document linked on the web site for further details. In addition, please request courses as early as possible for the best chances to be accommodated. Applications must be received at least one month in advance of requested course date.

Please send, fax or e-mail the course request to the Office of Evangelization and Catechesis at the information on the bottom of this page.
