

Madison Diocese Religious Educators' Organization

MDREO Presents:

An MDREO Movie Matinee Special Screening of

'The Catholicism Project'

Created and Narrated by Fr. Robert Barron

More than four years in the making, following the followers of Catholic faith from one end of the earth to the other, Fr. Robert Barron has created a modern-day masterpiece of documentary footage that has astonished audiences on PBS and EWTN alike. A feast for the eyes as well as the heart and mind, The Catholicism Project—renamed The Catholicism Series with its autumn completion—explores 10 fascinating themes of Catholic practice and identity. We'll be choosing three to view and discuss.

As part of the day, we'll also learn about the ways parishes are using the documentary to reach Catholics in exciting new ways—turning not only to the study guide Fr. Barron has written, but to other supplementary materials such as a forthcoming discussion guide from our own OEC! *We hope you join us for a fun movie-themed day, followed by some energizing discussion!*

MDREO Program Days include: Continental breakfast, brief MDREO business meeting, lunch—and ample opportunities to network! See our website to learn more: www.mdreo.org

**Popcorn provided—
with pizza and
salad for lunch!
Door prizes, too!**

Thursday, January 26th

9:00 am - 2:00 pm
