

Parish Facilities and Administrative Support

Contribution Stewards

Responsible for counting the weekend collections on Monday mornings.

Grounds and Gardens Committee

Assists the parish maintenance staff in establishing and maintaining seasonal gardens and planters. Members help layout and plant garden annuals, provide routine weekend and deadheading, and assist with fall cleanup. Members are also needed to care for potted plants while over-wintered indoors and with seasonal plants used in the church.

Mailing Assistants

Help stuff bulk mailings and staple inserts into the bulletin.

Maintenance Committee

Reviews all parish facilities and physical plant to recommend major improvements and long-range planning for maintenance.

Office Assistants

Help during normal office hours by filling in at the front desk and assisting with some targeted mailings.
